VARIAZIONI CROMATICHE

Con l'esposizione alla luce il legno, essendo un materiale vivo, tende a variare il colore originale.

La CP Parquet, proseguendo nella ricerca e sviluppo per il miglioramento dei propri prodotti, si riserva il diritto di modificarne le caratteristiche tecniche e/o estetiche in qualsiasi momento, senza darne alcun preavviso.

CHANGES IN COLOUR

Since wood is a living material, its original colour tends to change with exposure to sunlight.

As part of its ongoing research and development work to constantly improve its products, CP Parquet reserves the right to change their technical and/or aesthetic features at any time, without prior notice.
